

MEMORANDUM OF TELEPHONE CONVERSATION BETWEEN MR.  
DULLES AND MR. PIERRE SALINGER.

Sometime during the week of August 8 - 12, 1960, exact date unknown, Mr. Dulles put in a call for Mr. Robert Kennedy, and failing to reach him, spoke with Mr. Pierre Salinger, press secretary for Senator Kennedy, and told him that he was holding himself available to brief the Senator further at any time he wished. Mr. Salinger said he believed there was nothing further the Senator wanted at the moment, but that he would pass the message to him and would bear in mind that Mr. Dulles was available should the Senator wish to contact him. The Director also asked Mr. Salinger to tell Mr. Robert Kennedy he had tried to reach him, and failing to do so, had talked with Mr. Salinger.
